The Belvoir Bowhunters, an organization of military and civilians in the Northern Virginia community, will hold its annual Hunters for the Hungry 3D Archery Tournament. The proceeds of this event are donated to the Hunters for the Hungry to assist this organization meet the rising cost of processing and distributing venison to needy families across the Commonwealth. Held each August, the tournament includes a **3-D shoot, novelty shoots**, and a **raffle** of donated and purchased raffles prizes. 100 percent of the proceeds go to support this very worthwhile cause. Last year, with the help of generous donations, Belvoir Bowhunters were able to provide a check for \$3200.00, which provided approximately 4,550 pounds of venison to 91 needy families throughout the State.
