David H. Horne Memorial Hunters for the Hungry Annual Golf Tournament

This tournament is being held in memory of David H. Horne, founder of Hunters for the Hungry. David devoted his life to feeding the needy. Under his leadership, the Hunters for the Hungry program grew into the largest effort of its kind in the country. Since its inception, over 6.5 million pounds of venison have been given to the needy of Virginia, providing over 26.5 million servings of this nutritious food.

Participating in the 2018 Hunters for the Hungry Golf Tournament will help us provide even more to those in need. Our goal this year is to receive, process, and distribute 325,000 pounds of venison. This will supply 1.3 million servings of this nutritious low-fat meat for people in need. Please help keep David's memory alive.
