2014 DONATING HUNTERS

Our thanks to each of the following people and organizations who donated deer during the 2014 season. Your donation of 238,972 pounds of meat provided 955,888 quarter pound servings of lean protein! Thank you for your kindness and your generosity. We appreciate all the time and effort you put forth to make these donations possible. On behalf of all the people who had quality nutrition because of you, we say a most heartfelt thank you! You have truly made a difference.

Truckload of venison ready to be distributed. Our thanks to all the hunters that donated deer this season and made it possible for us to have this quality meat to share with our brothers and sisters in need. This meat was cut and packaged by McIntosh Custom Deer Processing in Loudoun County and was distributed through Restoration Christian Ministries in Northern Virginia. Otis McQueen has been our long-time contact with this wonderful feeding program.

MEMORIES FROM 2014 EVENTS (continued)
- Hope you will join us for some of our events in 2015

Alice Ricucci pictured with the beautiful quilt she made for the 2014 Roanoke Sportsman's Banquet.

Bill Pyles has blessed our banquet in Roanoke for many years with an extraordinary bird feeder and bird house.

The Dibert Valve and Fitting team of Nick Riddlebarger, Dave Miller, Marty Kelly and Tommy Cayton took second in the tournament held at London Downs. The winning team of Frankie Byers, Jr. Allen St. Clair, Ronnie Wines and Jerry Snyder left before we were able to get their picture.

The annual Roanoke Banquet will be held on September 19th this year. Come out and enjoy a fun-filled evening with awesome silent and live auction items, great raffles and an extraordinary selection of ladies raffle items.

Becky Hawkins won closest to the pin on hole # 6, other winners were Allen St. Clair, Grandy Llewellyn and Ron Mason. Longest drives were won by Dr. Kim Combs and Jeff Miller.

At the Ruritan National Convention in Greensboro, N. C., the Appomattox District was honored as the District which had raised the most funding for HftH providing over 472,137 servings of venison to the hungry in 2014. We hope all of the Virginia Ruritan Clubs will make a donation in 2015 and help us celebrate our 20 years of partnership at the National Convention next January in Jacksonville, Florida. For more information, please contact our office at 800-352-4868. We would love to come and do a program for your club, just give us a call.

This monument was created as a memorial to the life of Percy H. "Buddy" Fines. It shall remain as a reminder of and to forever honor the love and dedication showed in his life for youth and Veterans throughout Virginia and our Nation. A dedication ceremony was held on Saturday, Dec. 6, 2014 at Caledon State Park in King George, VA before the annual veterans Deer Hunt established by Buddy.

FOOD FOR THOUGHT

We received the following comments from a donor this past year when they sent in their gift and wanted to pass it along. "I was first attracted to your work not by the raffles, caps for sale, etc, but rather by a listing in your newsletter of how many servings of meat a donation of \$25, \$50, \$100.00 etc., would provide. It seems to me that would be a good inclusion for each and every newsletter. Most of us who give to charitable causes appreciate a big "bang for our buck", and you'll provide one, and should always make it prominent!! Thanks again for all you do." Cordially, L. Wayne Meredith, Madison Heights, VA

Mr Meredith - here it is:

\$25.00 provides - 111 servings

\$50.00 provides - 222 servings

\$100.00 provides - 444 servings

With the current cost of 90% lean ground beef being over \$6.00 per pound we are very pleased to be able to provide our venison free of charge to feeding programs all across Virginia. Our processing costs work out to 90 cents per pound or 22.5 cents per serving! I agree we are still providing a big bang for your bucks. Thanks so much for your suggestion. Sincerely, Laura Newell-Furniss, Director Hunters for the Hungry

Your donation of a mature large bodied deer will provide 200 servings of quality food to people in need.

**DEER NEEDED
MORE THAN EVER!**

Please use your hunting skills to provide food for children, women and men who are hungry.

Crop Damage:

This past season we received the fewest deer we have received in the last thirteen years. Many things affected the hunting season this past year and we are hopeful that 2015 will be a better year. We get calls on a regular basis from feeding programs that are out of meat and would very much appreciate venison to give to their clients.

If you or anyone in your community is receiving permission to hunt on damage permits, we would love to receive those deer. We have refrigerated trailers we can make available to you for keeping the deer cool during the hot summer months that are on the way. Please be in touch with us at 800-352-4868 or by email at hunt4hungry@cs.com if you would like assistance in donating these deer that are doing damage to your crops. We may also be able to provide help with field dressing; please be in touch so that these deer do not go to waste.

Hunter Incentive Drawing:

This fall, starting the first weekend of October and running through the first weekend in January, we are going to be offering an incentive drawing to hunters who donate. With the help of Green Top Hunting and Fishing in Ashland, Virginia, we are going to be able to offer 25 fantastic prizes that will be given away to hunters who donate their deer. For each deer you donate, you will get a ticket for the drawing. There will be more information on this promotion in coming newsletters and on our website.

Trailer Locations Needed in Fairfax County:

At the end of the 2013 hunting season, our processor in Fairfax County made the decision to stop accepting deer. Part of the reasons our numbers were down so much in 2014 is that we did not find another processor to fill this void. In 2015, we would like to have two trailer locations for Fairfax County where hunters could drop off deer. The deer would then be transported to processors in either Loudoun or Prince William Counties. If you have suggestions for locations for these trailers, please give us a call at 800-352-4868 or email us at hunt4hungry@cs.com.

This beautiful buck was harvested by Altria employee, Wayne Dolan the last day of the 2012 hunting season. He donated the deer at Shanghai Meat Processing.
