## OUR DEEPEST THANKS TO ALL WHO GAVE THIS YEAR!

We are more grateful than ever to everyone who stepped up to help the program in 2014. With record breaking prices for beef and an economy in which many people are struggling to make ends meet, we realize all the more just what a blessing your donations are.

With the current cost of lean ground beef being at least \$6.00 per pound, a large mature deer would be valued at \$300.00 at a minimum. Because tenderloin, steaks and roasts have an even higher value, the actual value of the donation is even greater. We are so very thankful to each hunter who gave such a generous donation by their donation of a deer.

We have just received our final processing bills for the 2014 season and our total pounds distributed for the year was 238,972. While this is a 13 year low for the program, 955,888 servings of lowfat protein rich meat were provided to those in need. A huge thank you to each hunter who donated and to each financial donor who gave funds for the processing of the meat.

We are also very grateful to the processors who participated with us this year as well as the cooperating feeding programs that distribute the venison. We are well aware that we could not do this program without the countless volunteers who give so generously of their time and talents. Hunters for the Hungry has now exceeded 23.2 million servings since we began in 1991, thanks to each of you!!!

This issue of the newsletter is dedicated to all the financial donors and all the hunters who made donations in 2014. You will see the names of these wonderful people and organizations printed in the pages that follow. We want you to know that your help makes all the difference. Thank you for your caring and your compassion for those in need.

We look forward to 2015 and hope that you will join with us again so that even more people can be fed. Please encourage your fellow hunters and neighbors with damage permits to donate deer. Check out the upcoming events section to see what events you might be able to attend. We look forward to working together for a successful 2015.

*This pick up load of meat is headed to the Hunting Creek Baptist Church's Food Pantry in Big Island, VA. The meat was cut and packaged by Arrington's Orchard in Bedford County.*

### Donation Form

\_\_\_\_\_ I/we would like to make a donation to continue the vital work of HfH. My check for \$\_\_\_\_\_ is enclosed. Please make payable to Hunters for the Hungry and mail to  
**P. O. Box 304, Big Island, VA 24526.**

We continue to operate cost-effectively, on average paying \$45.00 for the processing of a deer. A large mature deer will yield 50 pounds of meat which is equivalent to 200 quarter pound servings. This works out to **90 cents per pound which equals 22 1/2 cents per serving!**

**Hunters for the Hungry** is a 501(c)(3) nonprofit corporation. All financial contributions are tax deductible to the full extent of the law. A financial statement is available from the Virginia Department of Agriculture and Consumer Services Office of Charitable and Regulatory Programs. Our tax I. D. number is 54-1650687.

**Albert Barksdale and Jim Schrivner were pleased to pick up 1500 pounds of meat for the Lynchburg branch of the Blue Ridge Area Foodbank. Jim, the director of the Foodbank said, "Currently we are feeding 17,000 people a month through agencies in the Lynchburg area. The venison plays a large role in us providing nutritious food to the many in need." The meat was packaged for distribution by Green Valley Meat Processors and donated by local hunters.**
